

**FOR IMMEDIATE RELEASE**

## **Confirmation of TechTarget, Inc Annual Report and Filing of Form 12b-25 for 2024 Annual Report on Form 10-K**

**Newton, MA — March 31, 2025 —** TechTarget, Inc. (Nasdaq: TTGT) (“Informa TechTarget”), a leading growth accelerator for the B2B Technology sector, today announced that the Annual Report on Form 10-K for the year ended December 31, 2024 (“Annual Report”) is taking more time to finalize than it traditionally would following the combination of former TechTarget, Inc. and the Informa Tech Digital Businesses, which completed on December 2, 2024. This reflects the timing of the completion of the transaction and its proximity to the fiscal year end, and the translation and alignment between US GAAP and IFRS.

Informa TechTarget has filed a Form 12b-25, Notification of Late Filing, with the Securities and Exchange Commission (“SEC”), relating to its Annual Report. Informa TechTarget expects to report its 2024 Full Year Results and file the Annual Report with the SEC by April 15, 2025, within the extension period of fifteen calendar days permitted under Rule 12b-25. Additional information may be found in Informa TechTarget’s Form 12b-25 filing, which is available on the SEC’s website at <https://www.sec.gov> and on our investor relations website at <https://investor.informatechtarget.com/>.

The Company will reschedule its FY 2024 results conference call and announce the timing once the filing date of its Form 10-K is confirmed.
