Share Fraud - Protecting Your Investment

We have become aware that some members of the public have been approached by individuals claiming to be acting on behalf of Informa or an Informa subsidiary.

Shareholders are strongly advised to be **highly cautious of any unsolicited phone calls or correspondence about investment matters**, whether they claim to be associated with Informa PLC, an Informa company, an Informa Director or any other company or scheme.

Neither Informa PLC nor any Director of an Informa company will ever offer investment advice or make unsolicited calls or send unsolicited emails or letters about buying or selling shares.

Fraudsters can be very persistent and extremely persuasive, and often have websites that support their activities and claim to be related to the websites of genuine companies. **If it sounds too good to be true, it probably is.**

What to do

- Treat any unsolicited call with an offer to buy or sell shares with extreme caution – the safest thing to do is hang-up.
- Do not give out or confirm any personal information.
- If you have a conversation with someone, make sure you record the name of the person and organisation who contacted you – name, telephone number and web address if possible.
- Do not hand over any money without first checking that the organisation is genuine and authorised by FCA at <https://www.fca.org.uk/register/>.
The FCA keeps a warning list of companies on its ScamSmart website <https://www.fca.org.uk/scamsmart>.

Report the issue

If you think you have been targeted, you should report the matter to the FCA as soon as possible via their online form at <https://www.fca.org.uk/consumers/scams/report-scam> or by calling their consumer helpline on 0800 111 6768 from the UK or +44 20 7066 1000 from outside the UK.

You can also report any suspicious contact received via the Action Fraud website (www.actionfraud.police.uk), or by calling 0300 123 2040.

If you receive telephone calls, emails or letters purporting to be from Informa, or companies endorsed by Informa, and you are unsure if they are legitimate, please contact our shareholder helpline (+44 (0)370 707 1679) or email our Investor Relations team at investorrelations@informa.com.

Dear Shareholder

2021 Annual General Meeting

I am pleased to confirm that the 2021 Annual General Meeting (AGM) of Informa PLC (the Company) will be held at 11.00 am on Thursday 3 June 2021 at 240 Blackfriars Road, London SE1 8BF.

Attendance and voting

Due to the ongoing UK government restrictions on public gatherings during the Covid-19 pandemic, Shareholders are invited to attend and participate in the 2021 AGM via a live webcast, and are strongly encouraged not to attend the 2021 AGM in person. Details of the online arrangements, including how to join the AGM, vote and ask questions during the meeting, are set out on pages 9 and 10 of this circular. On behalf of the Board, I hope that you will be able to join us virtually on 3 June.

We continue to monitor the evolving pandemic situation and the potential impact on the meeting. Any material changes to the meeting arrangements will be posted on our website (www.informa.com) and I encourage Shareholders to check regularly for updates.

I encourage all Shareholders to exercise their right to vote on the resolutions being put to the AGM in advance of the meeting by submitting a proxy vote, either by completing and returning the form of proxy posted to Shareholders or by providing voting instructions electronically through www.investorcentre.co.uk/eproxy. CREST members who wish to appoint a proxy via the CREST electronic proxy appointment services should refer to the notes on pages 11 and 12.

Shareholders voting in advance of the meeting are encouraged to appoint the Chair of the AGM as their proxy rather than any other named person who may not be permitted to attend. Further details on how to register a proxy vote are set out on page 11. All resolutions will be voted on by way of a poll and will reflect all proxy instructions duly received.

To be valid, all proxy votes must be received by our registrar, Computershare, no later than 11.00am on Tuesday 1 June 2021.

In addition to being able to submit questions online during the meeting, arrangements have been made for Shareholders to submit questions in advance of the AGM. If you wish to submit a question, please email AGM@informa.com before 11.00am on Tuesday 1 June 2021. Please note that we may choose to summarise and bundle questions thematically to facilitate the smooth running of the AGM.

Board changes and AGM resolutions

As previously announced, I will be retiring from the Board at the conclusion of the AGM on 3 June having extended my tenure as Chair at the Board's request in order to provide continuity and stability during the pandemic. It has been a pleasure and an honour to serve as a Non-Executive Director, and as Chair, of Informa and I look forward to watching the Group continue to progress over the coming years.

Gareth Bullock, our Senior Independent Director, has also decided that he will step down from the Board at the conclusion of the AGM to focus on other interests. Gareth joined the Board in 2014 and has been a diligent and respected member of the Board and its three standing Committees during his tenure. I would like to take this opportunity to thank him for his hard work and outstanding contribution to Informa during the last seven years.

Following John Rishton's appointment as Group Chair, Gill Whitehead will take over as Audit Committee Chair and, as previously announced, the Board has started the search for an additional Non-Executive Director who will further enhance the diversity of the Board and its international experience in key markets. Further announcements on this process will follow in due course.

All the resolutions set out in the Notice of AGM on pages 2 and 3 will be familiar to Shareholders and further information on each is set out in the explanatory notes on pages 4 to 6.

Recommendation

Your Board considers that the resolutions being put to the AGM are in the best interests of the Company and its Shareholders as a whole, and unanimously recommends that you vote in their favour. All Directors will be voting in favour of each resolution in respect of their own shareholdings.

The results of the voting will be posted on the Company's website after the AGM and notified to the London Stock Exchange in the usual way.

Yours faithfully

Derek Mapp

Chair

Explanatory Notes on Resolutions

The explanatory notes that follow form part of the Notice and provide important information regarding the items of business to be considered at the AGM.

Resolutions 1 to 15 (inclusive) are proposed as ordinary resolutions. This means that for each of these resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 16 to 19 (inclusive) are proposed as special resolutions. This means that for each of these resolutions to be passed, at least 75% of the votes cast must be in favour of the resolution.

Resolutions 1 to 9 – Election and Re-election of Directors

As is usual, and in accordance with the 2018 UK Corporate Governance Code 2018 (the Code), all Directors will be standing for election or re-election, as relevant, at the AGM on 3 June 2021.

Patrick Martell was appointed to the Board on 1 March 2021 and will stand for election at the AGM in accordance with the Company's Articles of Association. The remaining Directors will offer themselves for re-election.

As stated on page 1, Derek Mapp and Gareth Bullock will not seek re-election at the 2021 AGM.

On behalf of the Board, the Chair confirms that each Director standing for election or re-election remains committed to their role and continues to be an effective and valuable member of the Board. The Board is also content that each Non-Executive Director offering themselves for re-election is independent and there are no relationships or circumstances likely to affect their character or judgement. The Board is satisfied that each of the Directors proposed for election and re-election has the appropriate balance of skills, experience, independence and knowledge of the Company to enable them to discharge the duties and responsibilities of a director effectively.

Detailed biographies for each Director standing for election or re-election can be found in Appendix 1 on pages 7 and 8 of this document. Their biographies can also be found on pages 98 and 99 of the 2020 Annual Report and at the Company's website: www.informa.com.

Resolution 10 – Annual Report and Financial Statements

For each financial year, the Directors must present the Annual Report to Shareholders at the AGM. The reports of the Directors (including the Strategic Report), the report of the Company's auditor and the financial statements are contained within the Annual Report.

Resolution 11 – Directors' Remuneration Report

Resolution 11 is an advisory vote to approve the Directors' Remuneration Report for the year ended 31 December 2020 which is set out on pages 116 to 131 of the Annual Report.

Sections 420 and 439 of the Companies Act requires the Directors to prepare a remuneration report each year setting out the remuneration paid to all Directors during the year under review and to put a resolution to Shareholders for the approval of that report. The remuneration report must also contain a statement by the Chair of the Remuneration Committee.

The Company's auditor, Deloitte LLP, has audited those parts of the Directors' Remuneration Report that are required to be audited.

Resolutions 12 and 13 – Re-appointment of Auditor and auditor's remuneration

The Companies Act requires that the Company appoints an auditor at each general meeting at which accounts are laid before Shareholders. The auditor will usually hold office from the conclusion of such meeting until the next general meeting at which accounts are presented.

Deloitte LLP have indicated their willingness to continue in office as auditor of the Company. Accordingly, on the recommendation of the Audit Committee, resolution 12 proposes that Deloitte LLP be reappointed as the Company's auditor.

Resolution 13 proposes that the Directors be authorised to agree the auditor's remuneration. In practice, and in line with the Code, the Audit Committee considers and approves audit fees on the Board's behalf. Details of the remuneration paid to the auditor for the year ended 31 December 2020 (including non-audit fees) are set out in Note 7 on page 168 of the Annual Report.

Resolution 14 – Authority to make political donations

The authority being proposed in this resolution 14 is a renewal of the authority granted at the 2020 AGM.

The Company does not make any donations to political parties or incur political expenditure within the ordinary meaning of those words, and the Directors have no intention of using this authority for that purpose, nor was it used during 2020.

Part 14 of the Companies Act requires companies to obtain Shareholder authority for donations to registered political parties and other political organisations totalling more than £5,000 in any 12 month period and for any political expenditure, subject to limited exceptions.

The definition of political donations used in the Companies Act is very broad and, as a result, could inadvertently catch legitimate activities such as policy review, law reform and the representation of the business community and special interest groups (such as those concerned with the environment) which the Company may wish to support. These activities are not designed to support any political party nor to influence public support for a particular party.

In order to avoid inadvertent infringement of the Companies Act, the Directors are seeking to renew the current Shareholder authority for the period from the date of the 2021 AGM to the conclusion of next year's AGM up to a maximum aggregate amount of £30,000.

Resolution 15 – Authority to allot shares

Under the Companies Act, the Company's Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by Shareholders in general meeting. This resolution renews the authority given to the Directors at last year's AGM in accordance with section 551 of the Companies Act.

The resolution will, if passed, authorise the Directors to allot (or grant rights over) ordinary shares up to a nominal amount of £501,037 (representing 501,037,000 ordinary shares of 0.1 pence each) and approximately one third of the issued ordinary share capital of the Company as at 22 April 2021 (being the latest practicable date prior to the publication of this Notice (the Latest Practicable Date)).

In accordance with guidance issued by the Investment Association (IA), the authority granted in this resolution will also authorise the Directors to allot shares, or to grant rights to subscribe for or convert any security into shares, in connection with a fully pre-emptive rights issue only, up to a further nominal value of £501,037 (representing 501,037,000 ordinary shares). This amount (together with the authority provided under paragraph (a) of the Resolution) represents approximately two-thirds of the issued ordinary share capital (excluding treasury shares) of the Company as at the Latest Practicable Date.

The authority will apply until the earlier of the conclusion of the Company's next AGM or close of business on 3 September 2022, but the Company may make offers and enter into agreements which would, or might, require shares to be allotted or rights to subscribe for or convert securities into shares to be granted after the authority expires and the Directors may allot shares or grant rights to subscribe for or convert securities into shares under any such offer or agreement as if the authority had not expired.

The Directors have no present intention to exercise the authority sought under this resolution. If the authority is exercised in the future, the Directors intend to follow best practice regarding its use as recommended by the IA.

As at the date of this Notice, the Company does not hold any shares in treasury.

Resolutions 16 and 17 – Disapplication of pre-emption rights

Under section 561(1) of the Companies Act, if the Directors wish to allot ordinary shares or sell treasury shares for cash (other than pursuant to an employee share scheme), they must first offer those ordinary shares to existing Shareholders in proportion to their holdings. There may be occasions, however, when the Directors need the flexibility to finance business opportunities by the issue of shares, or the sale of treasury shares, for cash without a pre-emptive offer to existing Shareholders. Section 570 of the Companies Act permits the disapplication of these pre-emption rights.

Resolutions 16 and 17 renew the authorities that were given at the 2020 AGM and comply with the IA's share capital management guidelines and follow the resolution templates issued by PEG in relation to the disapplication of pre-emption rights.

Resolution 16 will permit the Board to allot ordinary shares for cash (or sell treasury shares) on a non-pre-emptive basis up to a maximum nominal amount of £75,155. This amount represents approximately 5% of the Company's issued ordinary share capital as at the Latest Practicable Date.

Resolution 17 will permit the Board to additionally allot ordinary shares for cash (or sell treasury shares) on a non-pre-emptive basis up to a further maximum nominal amount of £75,155. This amount also represents approximately 5% of the Company's issued ordinary share capital as at the Latest Practicable Date.

The Board will only use the power conferred by resolution 17 in connection with an acquisition or a specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and disclosed in the announcement of the issue.

The Directors have no present intention to exercise the authorities conferred by these resolutions.

The Directors confirm their intention to follow the provisions of the PEG Statement of Principles regarding cumulative usage of authorities within a rolling three-year period. Those provisions provide that a company should not allot shares for cash representing either in excess of an amount equal to 5% of the total issued ordinary share capital (excluding treasury shares) or in excess of an amount equal to 7.5% of the total issued ordinary share capital (excluding treasury shares) within a rolling three-year period, other than to existing shareholders, without prior consultation with shareholders. This limit excludes any ordinary shares issued pursuant to a general disapplication of pre-emption rights in connection with an acquisition or specified capital investment.

The PEG Statement of Principles is available from www.pre-emptiongroup.org.uk.

The authorities granted by resolutions 16 and 17 will expire at the earlier of the conclusion of the Company's next AGM or 3 September 2022 and the Directors expect to seek to renew these authorities at each subsequent AGM.

Resolution 18 – Authority to purchase own shares

Resolution 18 renews the authority granted at last year's AGM. The resolution authorises the Company to buy back up to 150,311,000 of its issued ordinary shares. This is equal to just under 10% of the Company's issued ordinary shares as at the Latest Practicable Date. The resolution sets out the lowest and highest prices that the Company can pay for the ordinary shares.

The Directors have no present intention of exercising this authority to buy back the Company's ordinary shares but will keep the matter under review, taking into account other investment opportunities.

The authority would only be exercised if and when, in the light of market conditions prevailing at the time, the Directors believe that the effect of such purchases could be expected to lead to an increase in net asset value per share for the remaining Shareholders and would be in the best interests of Shareholders generally, having due regard to appropriate

gearing levels, alternative investment opportunities and the overall financial position of the Company.

Any shares which are bought back under this authority may either be cancelled or held in treasury. No dividends are paid on shares whilst held in treasury and no voting rights attach to treasury shares. If resolution 18 is passed and purchases made, it is the Company's present intention that it would cancel all shares purchased pursuant to the authority granted. However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the Directors would reassess whether to cancel the purchased shares or hold them in treasury at the time of any and each actual purchase.

The authority will automatically expire at the earlier of the conclusion of the Company's next AGM or close of business on 3 September 2022.

Resolution 19 – Authority to call general meetings on 14 days' notice

This resolution would renew the authority given at the 2020 AGM and allow the Company to call general meetings (other than annual general meetings) on 14 clear days' notice.

The Companies Act requires listed companies to call general meetings on at least 21 clear days' notice unless Shareholders approve a shorter notice period, which cannot be less than 14 clear days. Annual general meetings must always be held on at least 21 clear days' notice.

The authority granted by this resolution, if passed, will be effective until the Company's next annual general meeting when it is intended that a similar resolution will be proposed.

The flexibility offered by this resolution will only be used where, taking into account the circumstances, the Directors consider it is merited by the business of the general meeting and is thought to be to the advantage of the Company and Shareholders as a whole. The Company offers the facility for all Shareholders to vote by electronic means at any general meeting. The Company also provides the ability to appoint proxies electronically through CREST and retail Shareholders can vote online via www.investorcentre.co.uk/eproxy.

1. Accessing the AGM

The Directors are enabling and actively encouraging Shareholders to attend and participate in the 2021 AGM electronically by accessing the AGM website <https://web.lumiagm.com> and not to seek to attend in person. The link can be accessed online using most well-known internet browsers such as Internet Explorer (version 11 or above), Chrome, Firefox and Safari on a PC, laptop or internet-enabled device such as a tablet or smartphone.

Shareholders should note that entry to the online AGM link will open at 10.30am on 3 June 2021.

An active internet connection is required at all times in order to allow you to cast your vote when the poll opens, submit questions and watch the videocast. It is the Shareholder's responsibility to ensure they remain connected for the duration of the meeting.

2. Logging in

On accessing the AGM website, you will be asked to enter a Meeting ID which is **153-011-950**. You will then be prompted to enter your unique Shareholder Reference Number (SRN) and PIN. In light of ongoing UK Government restrictions on public gatherings, Shareholders are strongly encouraged to make full use of the electronic meeting facilities and not to attend the 2021 AGM in person. Certain Directors and Informa colleagues will attend the AGM in person in order to form the necessary quorum.

Entitlement to attend and vote

1. Only those Shareholders whose names are registered on the register of members of the Company at the close of business on Tuesday 1 June 2021 (or, in the event of any adjournment, close of business on the day which is two days before the adjourned meeting excluding any non-working days) are entitled to attend or vote at the AGM in respect of the number of shares registered in their name at that time. Changes to the register of members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote.
2. Any Shareholder attending the meeting, including those attending electronically, has the right to ask questions. The Company must provide an answer to any question relating to the business being dealt with at the meeting, but no such answer need be given if
 - (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information,
 - (ii) the answer has already been given on a website in the form of an answer to a question, or
 - (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Shareholders may also submit questions in advance of the AGM by emailing AGM@informa.com by 11am on Tuesday 1 June 2021.

A Shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that Shareholder. Any Shareholder appointing more than one proxy should indicate the number of shares for which each proxy is authorised to act on their behalf.

The proxy form which must be used to make such appointment and give proxy instructions accompanies this Notice. Please read the instructions on the proxy form to ensure the valid appointment of your proxy or proxies. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact the Company's registrar, Computershare on +44 (0)370 707 1679. Lines are open from 8.30am to 5.30pm, Monday to Friday (excluding public holidays in England and Wales).

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Shareholders may not use any electronic address provided either in this Notice or any related documents (including the proxy form) to communicate with the Company for any purposes other than those expressly stated. CREST

4. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 3 June 2021 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com).

The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by the latest time(s) for receipt of proxy appointments specified in this Notice.

For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).
