Share Fraud - Protecting Your Investment

We are aware that, from time to time, some shareholders are approached by individuals claiming to be acting on behalf of Informa PLC or an Informa subsidiary.

Shareholders are strongly advised to be **highly cautious about any unsolicited phone calls or correspondence about investment matters**, whether they claim to be associated with Informa PLC, an Informa company, an Informa Director or any other company or scheme.

Neither Informa PLC nor any Director of an Informa company will ever offer investment advice or make unsolicited calls or send unsolicited emails or letters about buying or selling shares.

Fraudsters can be very persistent and extremely persuasive and often have websites that support their activities and claim to be related to the websites of genuine companies. **If it sounds too good to be true, it probably is.**

What to do

- Treat any unsolicited call with an offer to buy or sell shares with extreme caution – the safest thing to do is hang-up.
- Do not give out or confirm any personal information.
- If you have a conversation with someone, try to make a note of their name and that of their organisation – name, telephone number and web address if possible.
- Do not hand over any money without first checking that the organisation is genuine and authorised by Financial Conduct Authority (FCA) at <https://www.fca.org.uk/register/>.

The FCA keeps a warning list of companies on its ScamSmart website
<https://www.fca.org.uk/scamsmart>.

Report the issue

If you think you have been targeted, you should report the matter to the FCA as soon as possible via their online form at <https://www.fca.org.uk/consumers/scams/report-scam> or by calling the consumer helpline on 0800 111 6768 from the UK or +44 20 7066 1000 from outside the UK.

You can also report any suspicious contact received via the Report Fraud website (www.reportfraud.police.uk), or by calling 0300 123 2040.

If you receive telephone calls, emails or letters purporting to be from Informa, or companies endorsed by Informa, and you are unsure if they are legitimate, please contact our Computershare shareholder helpline on 0370 707 1679 or email our Investor Relations team at investorrelations@informa.com.

AGM resolutions

The notice of AGM (the Notice) and the proposed resolutions are set out on pages 2 to 3 of this document and cover the usual business of the AGM, including the re-election of Directors, receiving the Annual Report and audited financial statements, approving the Directors' Remuneration Report, approving the final dividend and re-appointing PricewaterhouseCoopers LLP as our auditor. Further information on each resolution is set out in the explanatory notes on pages 4 to 6.

All Directors will stand for re-election and biographies for each Board member can be found on pages 7 to 8. This will be the last year that I stand for re-election as Chair of the company. As described in more detail on pages 95 to 98 of the 2025 Report and Accounts, a planned succession process is underway, with a view to confirming a new Chair for the Group during 2026. Consequently I will stand for re-election in 2026 but will not stand for re-election in 2027.

Final Dividend

The Board is recommending a final dividend of 15.0 pence per ordinary share for the year ended 31 December 2025. Subject to shareholder approval at the AGM, the final dividend will be paid on 10 July 2026 to shareholders on the register of members at 6.00pm on 29 May 2026.

Details of the company's Dividend Reinvestment Plan (DRIP), including full terms of reference and eligibility for shareholders based outside the UK, are available from Computershare at investorcentre.co.uk. All DRIP elections must be received by Computershare by 6.00pm on 19 June 2026 to be eligible for the final dividend.

Recommendation

The Directors consider that each of the resolutions set out in the Notice are in the best interests of the company and its shareholders and unanimously recommend voting in favour of all resolutions, as all the Directors intend to do in respect of their own shareholdings.

The results of voting will be announced to the London Stock Exchange and published on our website as soon as possible after the end of the AGM.

Yours faithfully

**John Rishton****Chair****Informa PLC**

Explanatory Notes on the Resolutions

The explanatory notes that follow form part of the Notice and provide important information regarding the items of business to be considered at the AGM.

Resolutions 1 to 17 (inclusive) are proposed as ordinary resolutions. This means that for each of these resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 18 to 21 (inclusive) are proposed as special resolutions. This means that for each of these resolutions to be passed, at least 75% of the votes cast must be in favour of the resolution.

Resolutions 1 to 10: Election of Directors

In line with the UK Corporate Governance Code 2024 (the Code), all Directors will offer themselves for re-election at the AGM.

On behalf of the Board, the Chair confirms that each Director standing for re-election remains committed to their role and continues to be an effective and valuable member of the Board. The Board is also content that each Non-Executive Director is independent and there are no relationships or circumstances likely to affect their character or judgement. The Board is satisfied that each of the Directors has the appropriate balance of skills, experience, independence and knowledge of the Company to enable them to discharge the duties and responsibilities of a director effectively.

The Chair reached the ninth anniversary of his first appointment to the Board in late 2025. The Nomination Committee, led by the Senior Independent Director has begun the process of recruiting a successor.

The Code recommends that the chair of a board should not serve beyond nine years from the date of their first appointment, although some flexibility is allowed, particularly in cases where the chair was an existing non-executive director. Considering this recommendation, and acknowledging the benefits of refreshing Board membership periodically, the Nomination Committee concluded:

- Board performance review outcomes: The recent external review highlighted strong satisfaction with John's leadership and independence, and his deep understanding of Informa's operations and strategy. His continuing and substantial time commitment to Informa was also noted.
- Global experience: John's expertise in international business, cross border finance and global markets, particularly in the Middle East, remains invaluable as we continue to develop our partnership with DWTC and strengthen our Tahaluf partnership in Saudi Arabia.
- Board stability: Following the appointment of new Directors in 2024 and the relocation of key executives in 2025, leadership continuity is critical.

As a result, the Committee unanimously agreed that extending the Chair's tenure was in the best interests of the company and its stakeholders. Although the Nomination Committee has begun a process to find his successor with the assistance of Russell Reynolds, the Chair has agreed to seek re-election at the AGM in 2026 – but not in 2027 – in order to ensure that there is a smooth handover with his successor. This will allow sufficient time to identify and transition to a new Chair. Therefore, we propose his re-election as a Director and will look to announce the new Chair's appointment during 2026.

Detailed biographies for each Director can be found on pages 7 to 8 of this document.

Resolution 11: 2025 Annual Report

The Directors present the Annual Report to shareholders at the AGM. The Annual Report contains the reports of the Directors (including the Strategic Report) and auditor as well as the financial statements for the year ended 31 December 2025. The Annual Report can be found at informa.com

Resolution 12: Directors' Remuneration Report

This resolution seeks shareholder approval for the Directors' Remuneration Report (DRR) for the year ended 31 December 2025, set out on pages 109 to 123 of the Annual Report.

The DRR gives details on how the company's remuneration policy has been implemented during the year and the payments and share awards, if any, made to the Directors. The DRR also gives details of how the company intends to apply the remuneration policy during 2026.

The vote on this resolution is advisory and the Directors' entitlement to remuneration is not conditional on it being passed.

The company's auditors, PwC, have audited those sections of the DRR that are required to be audited and their report relating to the DRR can be found on page 133 of the Annual Report.

Resolution 13: Final Dividend

This resolution seeks shareholder approval to pay a final dividend of 15.0 pence per share for the year ended 31 December 2025. The dividend, if approved, will be paid on 10 July 2026 to shareholders on the register at 6.00pm on 29 May 2026. The ex-dividend date is 28 May 2026.

We encourage shareholders to elect to receive dividends paid directly to their banks to avoid the delays, risk and inconvenience associated with cheques. Shareholders with UK bank accounts can register their bank details at investorcentre.co.uk. Overseas holders can register for the Global Payment Service allowing the dividend to be paid in the local currency at investorcentre.co.uk.

If you have already registered to receive payment directly to your bank, you can check or amend your payment details by visiting investorcentre.co.uk and logging into your account.

Resolutions 14 and 15: Re-Appointment of auditors and auditors' remuneration

The Companies Act requires that independent auditors are appointed at each general meeting at which accounts are presented to shareholders. The auditors will usually hold office from the conclusion of that meeting until the next general meeting at which accounts are presented.

PwC have indicated their willingness to continue in office as auditors of the company. Following the recommendation of the Audit Committee, resolution 14 therefore proposes that PwC be reappointed as the company's auditors.

Resolution 15 seeks authorisation from shareholders for the Directors to agree the auditors' fees. In practice, and in line with the Code, audit fees are considered and approved by the Audit

Committee on the Board's behalf. Details of all fees paid to the auditors for the year ended 31 December 2025 are set out in Note 6 of the Annual Report.

Resolution 16: Authority to make political donations

The authority being proposed in this resolution 16 is a renewal of the authority granted at the 2025 AGM.

The company does not make any donations to political parties or incur political expenditure as those terms are normally understood, and the Directors have no intention of using this authority for that purpose during 2026, nor was it used during 2025.

The Companies Act requires companies to obtain shareholder authority for donations to registered political parties and other political organisations totalling more than £5,000 in any 12-month period and for any political expenditure, subject to limited exceptions.

The definition of political donations used in the Companies Act is very wide and, as a result, could inadvertently catch legitimate activities such as policy review, law reform and the representation of the business community and special interest groups (such as those concerned with the environment) which the company may wish to support. These activities are not designed to support any political party nor to influence public support for a particular party.

To avoid any inadvertent infringement of the Companies Act, shareholders are asked to renew the authority which will apply until the end of the AGM in 2027.

Resolution 17: Authority to allot shares

Under section 551 the Companies Act, the Directors are only authorised to allot shares (or grant certain rights over shares) if they have been authorised to do so by shareholders. Resolution 17 would renew the authority previously given to the Directors at last year's AGM.

The Investment Association (IA) share capital management guidelines on directors' authority to allot shares state that its members will permit, and treat as routine, resolutions seeking authority to allot shares representing up to two thirds of the Company's issued share capital. The guidelines provide that any routine authority to allot shares representing more than one third of the Company's issued share capital should only be used to allot shares pursuant to a fully pre-emptive rights issue.

Resolution 17 will, if passed, authorise the Directors to allot (or grant rights over) shares (i) up to a nominal amount of £423,664 being one third of the issued ordinary share capital of the company on 22 April 2026 (being the latest practicable date prior to the publication of this Notice (the Latest Practicable Date)) and (ii) in connection, up to a further aggregate nominal value of £423,664, again being one-third of the issued ordinary share capital on the Latest Practicable Date, in connection with a fully pre-emptive rights issue only.

The authority will apply until the earlier of the end of the company's next AGM or close of business on 17 September 2027, but the company may make offers and enter into agreements which would, or might, require shares to be allotted (or certain rights granted over shares) after the authority expires and the Directors may allot shares (or grant certain rights over shares) under any such offer or agreement as if the authority had not expired.

The Directors do not have any present intention to exercise this authority, however they consider it appropriate to maintain the flexibility that this authority provides and therefore the Directors are again seeking to renew this authority. If the authority is exercised in the future, the Directors intend to follow best practice as recommended by the IA. As previously stated, it is anticipated that the Directors will seek to renew this authority at each AGM.

The company does not currently hold any shares in treasury.

Resolutions 18 and 19: Disapplication of pre-emption rights

Under section 561(1) of the Companies Act, if the Directors wish to exercise the authority given under resolution 17 to issue shares for cash (other than in relation to an employee share scheme), they must first offer those shares to the company's existing shareholders in proportion to their holdings unless shareholders have given specific authority to waive their statutory pre-emption rights.) There may be occasions, when the Directors need the flexibility to issue shares for cash to finance business opportunities without first offering them to existing shareholders. Resolutions 18 and 19 would allow the Directors to disapply the strict statutory pre-emption provisions in these circumstances.

The PEG Statement of Principles supports companies seeking authority to disapply the pre-emption provisions when issuing shares for cash in relation to:

- (i) 10% of issued ordinary share capital for use on an unrestricted basis (a general disapplication); and
- (ii) an additional 10% of issued ordinary share capital to be used only in connection with the financing (or refinancing, if the authority is to be used within 12 months after the original transaction) of an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding 12 month period and is disclosed in the announcement of the allotment.

At last year's AGM, shareholders passed resolutions authorising the Directors to allot shares for cash without a prior offering to existing shareholders. Resolutions 18 and 19 are seeking to renew these authorities.

Resolution 18 will permit the Directors to allot ordinary shares for cash (or sell treasury shares) on a non-pre-emptive basis up to a maximum nominal amount of £127,099, being approximately 10% of the company's issued ordinary share capital at the Latest Practicable Date.

Resolution 19 will permit the Directors to additionally allot ordinary shares for cash (or sell treasury shares) on a non-pre-emptive basis up to a further maximum nominal amount of £127,099, again approximately 10% of issued ordinary share capital as at the Latest Practicable Date.

The Directors will only use the power conferred by resolution 19 in connection with an acquisition or a specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding twelve-month period and disclosed in the announcement of the issue.

The Directors have no present intention to exercise the authorities conferred by these resolutions.

The authorities granted by resolutions 18 and 19 will expire at the earlier of the end of the company's next AGM or 17 September 2027.

Explanatory Notes on the Resolutions

Resolution 20: Authority to purchase own shares

On 14 February 2022, the company commenced a share buyback programme of its ordinary shares of 0.1 pence each. As at the Latest Practicable Date, the company has repurchased and cancelled 276,941,795 ordinary shares at an aggregate purchase price of £1.963 billion (excluding transaction costs).

Resolution 20 will allow the Board to retain forward flexibility by renewing the authority granted at last year's AGM.

The resolution would allow the Directors to buy back up to 127,099,000 of its issued ordinary shares, equal to 10% of the company's issued ordinary shares on the Latest Practicable Date and sets out the lowest and highest prices that can be paid for the shares, exclusive of expenses.

Any shares which are bought back under this authority may either be cancelled or held in treasury. No dividends are paid on shares whilst held in treasury and no voting rights attach to them. The company's present intention to cancel all purchased shares. However, in order to respond properly to the company's capital requirements and prevailing market conditions, the Directors will reassess whether to cancel the purchased shares or hold them in treasury at the time of any and each actual purchase.

The buyback authority will automatically expire at the earlier of the end of the company's next AGM or close of business on 17 September 2027.

Resolution 21: Authority to call general meetings on 14 days' notice

This resolution would renew the authority given at the 2025 AGM and allow the company to call general meetings (other than annual general meetings) on 14 clear days' notice.

The Companies Act requires listed companies to call general meetings on at least 21 clear days' notice unless shareholders approve a shorter notice period, which cannot be less than 14 clear days - annual general meetings must always be held on at least 21 clear days' notice.

If passed, the authority granted by this resolution will be effective until the company's next AGM when a similar resolution will be proposed.

The flexibility offered by this resolution will only be used where, taking into account the circumstances, the Directors consider it is merited by the business of the general meeting and is thought to be to the advantage of the company and shareholders as a whole.

The company offers the facility for all shareholders to vote by electronic means at any general meeting. The company also provides the ability to appoint proxies electronically through CREST and retail shareholders can vote online via www.investorcentre.co.uk/eproxy.

Entitlement to attend and vote

1. Only shareholders named on the company's register of members at 6.00pm on Tuesday 16 June 2026 (or, in the event of any adjournment, 6.00pm on the day which is two days before the adjourned meeting excluding any non-working days) are entitled to attend and vote, whether in person, electronically or by proxy, at the AGM in respect of the number of shares registered in their name at that time. Changes to the register of members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote.
2. Any shareholder attending the meeting in person, electronically or by proxy has the right to ask questions. The company must provide an answer to any question relating to the business being dealt with at the meeting, but no such answer need be given if:
 - (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information,
 - (ii) the answer has already been given on a website in the form of an answer to a question, or
 - (iii) it is undesirable in the interests of the company or the good order of the meeting that the question be answered.

Shareholders may also submit questions in advance of the AGM by emailing AGM@informa.com by 6.00pm on Tuesday 16 June 2026. Please include your full name and shareholder reference number. We will consider all questions received and, if appropriate and relating to the business of the AGM, give an answer at the AGM, provide a written response or put responses on our website.

Appointment of proxy

3. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend the AGM and to speak and vote on their behalf. A proxy does not need to be a member of the company.

A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. Any shareholder appointing more than one proxy should indicate the number of shares for which each proxy is authorised to act on their behalf.

The proxy form that accompanies this document must be used to appoint a proxy. Please read the instructions on the proxy form.

If you did not receive a proxy form and believe that you should have received one, or if you require additional forms, please call Computershare on 0370 707 1679 between 8.30am and 5.30pm, Monday to Friday.

Electronic proxy appointments must also be received by **11.00am on Tuesday 16 June 2026**. Proxies received after that date, or sent to any other address, will not be valid. Any electronic communication found to contain a computer virus will not be accepted.

In the case of joint holders, where more than one of the joint holders appoints a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the company's register of members with the first-named being the most senior.

Shareholders may not use any electronic address provided either in this Notice or any related documents (including the proxy form) to communicate with the company for any purposes other than those expressly stated.
